# CERTIFICATE OF PARTICIPATION

This Certificate is awarded to

(Name of Ship)

for participation in

## **The Voluntary Observing Ships Scheme Climate Project (VOSCLim)**

Observational data received from ships participating in the VOSCLim Project are highly valued by the international scientific community for climate research and climate change studies.

The data make a significant contribution to IOC and WMO  
Programmes for the monitoring and  
protection of the oceans and atmosphere, and in particular for monitoring,  
research and prediction of the global climate system.
